As the highest applicable percentage ratio (as defined under the Listing Rules) in respect of the Annual Cap is higher than 0.1% and less than 5%, the transactions contemplated under the Materials Procurement Contract and the Annual Cap are subject to the reporting, annual review and announcement requirements, but are exempted from circular and independent shareholders' approval requirements under Chapter 14A of the Listing Rules.

## **INTRODUCTION**

On 30 March 2023, Shanghai Dazhong Gas, a non wholly-owned subsidiary of the Company entered into the Materials Procurement Contract with Shanghai Gas Operation Service Company, pursuant to which, Shanghai Dazhong Gas will procure water heaters, gas appliances, range hoods, gas cookers, alarms and accessories, dishwashers, water purifiers and filters, clothes dryers, heating and cleaning services for heating from Shanghai Gas Operation Service Company, and Shanghai Dazhong Gas will pay the selling prices of the goods and service fees to Shanghai Gas Operation Service Company.

## **MATERIALS PROCUREMENT CONTRACT**

The principal terms of the Materials Procurement Contract are summarized as follows:

Date:	30 March 2023
Parties:	Purchaser: Shanghai Dazhong Gas Co., Ltd., a non wholly-owned subsidiary of the Company Vendor: Shanghai Gas Operation Service Co., Ltd. (a connected person of the Company)
Transaction details:	The Vendor agreed to sell, and the Purchaser agreed to buy water heaters, gas appliances, range hoods, gas cookers, alarms and accessories, dishwashers, water purifiers and filters, clothes dryers, heating and cleaning services for heating.

Consideration:

The separately agreed unit price of water heaters, gas

## **ANNUAL CAP AND DETERMINATION BASIS**

The Company estimates that the proposed Annual Cap under the Materials Procurement Contract for the year ending 31 December 2023 is RMB12,000,000. In determining the Annual Cap under the Materials Procurement Contract, the Directors have taken into account the following factors: (1) the annual quantity of demand for such products from the Purchaser and (2) the market development plan of Shanghai Dazhong Gas.

## **HISTORICAL TRANSACTIONS AMOUNT**

During the period from January 2023 to the date of this announcement, the historical transactions amount of the water heaters, gas appliances, range hoods, gas cookers, alarms and accessories, dishwashers, water purifiers and filters, clothes dryers, heating and cleaning services for heating, purchased by Shanghai Dazhong Gas from Shanghai Gas Operation Service Company was RMB0.

## **THE REASONS FOR SIGNING OF THE MATERIALS PROCUREMENT CONTRACT**

Shanghai Gas Operation Service Company has sufficient understanding to the business and requirements of Shanghai Dazhong Gas, while communicating in an effective manner. Also, the Group understands that Shanghai Gas Operation Service Company is a professional maintenance company possessing relevant product brands, and is promised to enjoy special prices on the relevant products sold and is responsible for aftersales services such as delivery, installation, repair, cleaning and maintenance, etc, within the regions of Shanghai, such that Shanghai Gas Operation Service Company can provide the Group with the relevant products and services which are sold at lower prices compared with the market selling prices. Accordingly, the Board considers that Shanghai Gas Operation Service Company can complete the purchase orders of Shanghai Dazhong Gas and provide comprehensive aftersales services effectively.

The Directors (including the independent non-executive Directors) are of the view that the terms of the Materials Procurement Contract and the transactions thereunder as well as the Annual Cap are on normal commercial terms or better in the ordinary and usual course of business of the Group, and are fair and reasonable and in the interests of the Group and its Shareholders as a whole.

Given Mr. SHI Pingyang, the non-executive Director, is also the director of Shanghai Gas, he is therefore deemed to have material interests in the Materials Procurement Contract and the transactions contemplated thereunder and is required to abstain from voting on the relevant Board resolution. Save as disclosed above, none of the Directors has any material interest in the Materials Procurement Contract and thus be required to abstain from voting on the relevant Board resolutions.

## **INTERNAL CONTROL**

In addition to the annual review by the auditors and independent non-executive Directors pursuant to the requirements of Chapter 14A of the Listing Rules, the Company has implemented or will implement the following internal control measures:

- (1) The Company has formulated a series of internal control measures and policies to ensure that the continuing connected transactions will be carried out in accordance with the terms of each of continuing connected transaction agreements and the relevant pricing principles. The finance department of the Company will inform procurement department of the amount of the proposed Annual Cap of the continuing connected transactions and monitor from time to time if such Annual Cap is exceeded. The finance department will also approve the payment to be made to the Vendor to ensure that the payment terms are in line with the relevant continuing connected transaction agreements;
- (2) The business planning executives will regularly compare with the price list of the Group to ensure the selling price paid to the Vendor is at least on the same bases and same rates for similar products purchased from independent third parties by the Group; and
- (3) To monitor the transaction amounts of continuing connected transactions conducted with connected persons, such as the procurement department of the Company will seek advice from financial department and office of the Board on transaction limit before entering into individual agreements with connected persons, to ensure that better coordination and reporting arrangements of connected transactions will be carried out among various departments of the Company responsible for reporting, monitoring and handling connected transactions.
